# Ice Bagger for plastic wicketed ice bags

## Step 1:

Attach the hanger on the sides or back of ice bagger using the pre-drilled holes.

## Step 2:

Hang the unit on the front of the ice machine.

## Step 3:

Hang the plastic wicketed ice bags (sold separately) on the bracket below the opening.

## Step 4:

Place the ice chute on top of the ice bagger unit. Open the first ice bag around the bottom of the ice chute.

## Step 5:

Peel off protective film from dispenser.

## Step 6:

You are ready to bag your ice with a BPA-Free ice scoop (sold separately).
