

# Pregis EverTec™ Mailers

## Presenting Pregis EverTec™ mailers: durable, curbside recyclable mailing solutions that unlock the power of paper.

EverTec mailers are available in a variety of sizes and protection levels, providing e-commerce solutions that combine functionality with sustainability.

Whether you're looking to right-size your shipments or wanting to up your sustainability game, International Plastics along with Pregis EverTec is here to help you protect your products, profits and the planet

## EverTec delivers for customers, budgets and oh yeah, the planet.

- **Easy to recycle** – There will be no question of where or how these mailers should be recycled – they can go straight to the curb, eliminating consumer confusion.
- **Product-appropriate protection levels** – Available in cushioned to suit your unique protection needs.
- **Right-sized for shipping** – Variable sizes accommodate a wide range of items and fit more packages on every truck.
- **Ease of manual packing** – Flexible yet rigid construction simplifies manual packing processes, driving increased throughput.
- **Durable “everlasting” performance** – Constructed to stand up to operational stressors as well as strenuous shipping environments.
- **Beautiful branding** – Custom printing available to drive home the “WOW!” experience customers are looking for.

Curbside Recyclability

Beautiful branding

Product-appropriate protection

Sustainable options to suit your shipping mailer needs
